University of Mumbai

- 09/2009 - 05/2013 Mumbai, India Grade : 2.6 (First Class)
- Focusing Subjects : Object Oriented Software Engineering, Computer Programming in Java, Database Management and Systems.

EXPERIENCE

Intern

- SAP 03/2017 - 08/2017 Walldorf, Germany
- Developing a Web application on SAP Hana using SAPUI5 and SAP Hana Extended Application services which holds a Questionnaire.
- Helped in gathering requirements.
 - Developed Frontend using SAPUI5 in SAP Web IDE.
 - Followed MVC architecture in the application where views are written in xml and controller in javascript.
 - Designed the data model for backend and developed database artifacts like CDS, oData services and xsjs (SAP Hana Extended Application Services) using SAP Hana Studio.
 - Coded SAP Hana Extended Applciation Services in javascript.

Systems Engineer

- Infosys Limited 09/2014 - 09/2015 Pune, India
- Customizing, modifying and testing the Infosys banking solution "Finacle" for a multinational banking and financial services corporation.
- Customizing Finacle's Menu's according to bank-specific requirement using Finacle-scripting, java server pages, HTML, JavaScript and basic UNIX commands.
 - Performed revision control, managed workflows, tracked bugs and ensured proper SIT, UAT and prod deployment using Rational ClearCase and Rational ClearQuest.
 - Scheduled and monitored batch jobs using IBM Tivoli.

Systems Engineer Trainee

- Infosys Limited 02/2014 - 08/2014 Mysore, India
- During this training session I acquired knowledge of Object Oriented Programming with Java, Structured Query Language, HTML and CSS.
 - Also I got a general overview of Software Engineering.

TECHNOLOGIES

Programming, Scripting, Markup, Other Languages and Frameworks

- SAPUI5
- HTML5
- CSS
- Bootstrap
- JavaScript
- jQuery
- Java
- SQL

Databases

- MySQL
- SAP Hana

Tools and Utilities

- SAP Web IDE
- SAP Hana Studio
- JIRA
- Git
- Eclipse
- NetBeans
- RMF ClearQuest
- RMF ClearCase
- Tivoli
- XAMPP

CERTIFICATES

- Oracle Certified Associate, Java SE 7 Programmer
Oracle
- Goethe-Zertifikat A2 Start Deutsch 2
Goethe-Institut, Mumbai, India

LANGUAGES

- English
- Proficient
- German
- Intermediate

MY HOBBIES

- Playing Soccer
- Playing PC games
